DIGITAL TRANSFORMATION OF QUALITY MANAGEMENT STRATEGIES, TOOLS, AND PROCESSES (A SEMINAR IN PERSIAN LANGUAGE)

REZA JERDI

*CQE, Co-founder
at Artintech Inc.*

DR. ALI IZADI

*CEO in Manufacturing Companies &
Senior Auditor of Quality Systems*

TOPIC AND DISCUSSION

Part 1 - Quality Change Management

The intersection of change management and the quality management system revolution. Highlighting how organizations can leverage quality principles to drive successful change initiatives.

Part 2 - QMS & Digital Transformation

This talk will navigate digital tools and technologies and how they streamline processes, boost operational efficiency, and ensure high-quality outcomes.
